### **The 10 Dimensions of Effective Leadership**

The 10 Dimensions of Effective Leadership is a Leadership Course designed for seasoned leaders to increase their effectiveness in guiding their people through the accelerating pace of change and disruption. The course focusses on developing a deep understanding of yourself, your strengths and opportunities to positively impact your team performance and culture. With a strong focus on leadership agility and positive impact on your followers, you learn how to enhance the 10 most impactful dimensions of your leadership.

The learning experience is built around the leadership style of each individual attendee, so participating leaders will learn how to make the most of their own levels of Intensity, Assertiveness, Risk Tolerance, Adaptability, Decision Making style, Collaboration, Social Awareness and Empathy, Openness to build Authenticity and their own intrinsic motivators as well as developing awareness around motivation and engagement of the team.

This is most suited for experienced leaders looking ahead to lead their teams through the VUCA environment, and is a natural next step from our existing Leadership Development course. However, this course will accelerate the development of emerging leaders and the completion of the Leadership Development course is not a prerequisite.

This dynamic training course is available now throughout New Zealand, including Auckland, Christchurch or Wellington.

### FOREWORD

#### The 10 Dimensions of Effective Leadership

The 10-dimensions of effective leadership takes experienced leaders on an impactful leadership development journey that helps them understand their leadership style and strengths with more clarity. As leaders work through the 10-dimensions of leadership, they begin to understand the impacts their leadership style has on individuals, organisational culture and decision making. They then begin the journey of developing strategies for increased adaptability and collaboration to make the most of diverse teams.

This course is intended to help leaders guide their organisations through our modern VUCA world and to engage the diverse audiences in different often challenging situations.

This is an impactful experience for experienced managers and leaders.
