COURSE LENGTH: 1.0 DAYS

A management succession plan affects an entire organisation. Planning a succession involves preparation, weighing options, initiating and managing change, overcoming obstacles and performing a thorough analysis.

The PD Training Business Succession Planning Training Course develops an understanding of the methods and techniques of business succession planning and skill building to implement the changes smoothly and successfully.

This significant and lively training course is available now throughout New Zealand, including Auckland, Christchurch and Wellington.

BUSINESS SUCCESSION PLANNING COURSE OUTLINE

FOREWORD

The loss of valuable leadership can cripple a company. Business succession planning is essentially preparing successors to take on vital leadership roles when the need arises.

Whether it is preparing someone to take over as the sole proprietor of a small business or a position of leadership in a corporation, business succession planning is essential to the long-term survival of a company. This course will teach you the difference between succession planning and mere replacement planning and how to prepare people to take on the responsibilities of leadership so that the company thrives in the transition.
