## DEALING WITH DIFFICULT PEOPLE IN THE WORKPLACE TRAINING COURSE OUTLINE

---

### FOREWORD

During the Dealing with Difficult People in the Workplace training course, participants learn how to approach difficult people, then how to understand and influence them so that a successful resolution can be achieved without negativity and emotional damage.

The course includes training in recognising attitudes and actions that impact others, using effective techniques to deal with difficult people, using tools to deal with anger, developing coping strategies, understanding motives and behaviours and more.

This is as much a personal development experience as a professional development exercise because the techniques you learn can be applied to all areas of your life.
