DELIVERING CONSTRUCTIVE CRITICISM TRAINING

Generate a group quote today OR Register now for the next public course date

COURSE LENGTH: 1.0 DAYS

Providing criticism, even when positive, is one of the most challenging tasks. This training course in delivering constructive criticism provides participants with valuable knowledge and skills to help them easily and productively provide criticism.

The PD Training Delivering Constructive Criticism Training Course provides an insight into what makes criticism work. It includes planning and preparing for a critique using techniques that ensure that the person receiving the criticism is motivated to rectify past mistakes and work towards improvement.

This dynamic and practical training course is now available throughout New Zealand, including Auckland, Christchurch or Wellington and also via instructor-led online training.

DELIVERING CONSTRUCTIVE CRITICISM TRAINING COURSE OUTLINE

FOREWORD
Constructive Criticism must be provided correctly to maximise its impact and benefits. During this training course in delivering constructive criticism, participants receive training in choosing the right place, time and occasion for giving criticism, setting goals, prepare and plan a healthy criticism, and understanding the role of emotions and reactions in delivering constructive criticism.

OUTCOMES

Effective criticism helps in the management of human resources. It reduces/eliminates problematic behaviours and conflicts that negatively impact an organisation. When an employee commits an action that requires feedback or criticism it needs to be handled appropriately and skillfully. This extensive training course helps participants develop essential skills in delivering constructive criticism that positively impacts an individual and the company.

After completing this course, participants will have learned to:

- Determine the right place to give feedback
- Consider informal feedback
- Gather facts on the issue
- Create an action plan
- Practice tone
- Control and create an impact
- Criticise in private, praise in public
- Create a safe environment for providing criticism
- Monitor body language
- Develop understanding and active listening
- Be collaborative
- Set goals
- Check emotions and outbursts
- Diffuse negative emotions including anger
- Understand what not to do
- Measure results
