**COURSE LENGTH: 1.0 DAYS**

Effective facilitation skills are a highly desirable attribute for individuals who wish to manage meetings and planning sessions in New Zealand for more timely and productive outcomes. Facilitating is more than just setting a meeting time. It requires skills in presentation, negotiation, elaboration and communicating with stake holders.

The PD Training Facilitation Skills Training Course teaches you practical techniques like choosing a facilitated approach, encouraging participation and gathering information, addressing disruptions, using reframing techniques, using intervention when required and much more. You'll learn key skills that can be used right away and the course is now available throughout New Zealand, including Auckland, Christchurch or Wellington.

## FACILITATION SKILLS TRAINING COURSE OUTLINE

---

### FOREWORD

Facilitation is often referred to as the new cornerstone of management philosophy in New Zealand. With its focus on fairness and creating easy decision making, proper facilitation can help any organisation make better decisions.

This Facilitation training course will give participants an understanding of what facilitation is all about, as well as some tools that they can use to facilitate small meetings. Learn about promoting and managing group participation, collecting evidence and gaining "buy-in", how to stay on track and remove distractions, handling difficult people and much more.
