FISH THE ORGANISATIONAL CULTURE TRAINING COURSE OUTLINE

FOREWORD

The FISH! for Organisational Cultures training course is a one-day workshop that empowers all your teams to embrace the FISH! Philosophy and build a highly effective customer service culture across all departments within your organisation. By allowing your staff to attend the course, you will begin the process of building a high-performance customer service culture across all your teams.

OUTCOMES

FISH! has been called an antidote to cynicism, depression, burnout and anger. Our clients are using it for nearly every issue facing business today: leadership, orientation, teamwork, retention, creativity, customer service, quality improvement, change — anything involving human interaction.

By the end of this course, participants will:

- develop a shared vision of how to serve customers, internal and external
 - clarify common values of how to treat each other
 - recognise new opportunities to make a positive difference for others
 - become more proactive in creating a more effective environment
-
