### FOREWORD

EA's and Personal Assistant play a big role in an organisation in New Zealand, as they are the primary point of contact for internal and external clients and business partners. PA's perform a wide array of jobs each work day, such as following-up communications and schedules, managing meetings and recording important meetings minutes. Enhance your personality and job skills through enrolling in the Foundation Skills for Elite PA's and EA's training course from PD Training.

In this Foundation Skills for Elite PA's and EA's Training Course you will learn the skills to help you use your resources efficiently, manage your time wisely, communicate effectively and collaborate with others skillfully.

The practical skills and techniques you will learn in this course will help you support your manager, and present 'your team of two' as a professional, confidence-inspiring team.
