COURSE LENGTH: 1.0 DAYS

Goal setting is an imperative skill that can be learned. Setting and achieving goals will increase the productivity and confidence in any staff member. The key is to set different types of goals (short, medium and long-term) that can be achieved as well as “stretch” goals which are used to reward best efforts. The PD Training Goal Setting and Getting Things Done Training Course provides knowledge and development skills in creating SMART goals, utilising technology, overcoming procrastination, self-motivating, managing time, and more. These techniques help you to set accurate goals and to achieve them.

This highly valuable and practical training course is now available throughout New Zealand, including Auckland, Wellington and Christchurch, and also via instructor-led online training.
