COURSE LENGTH: 1.0 DAYS

Managers, team members, owners and employees in New Zealand need to conduct difficult conversations at some time or another. Although difficult conversations cannot be avoided, they can be successfully managed to achieve positive outcomes.

Understanding, empathy and emotional intelligence skills development are necessary qualities that help you control difficult conversations before, during and after they occur, so that you can achieve the desired outcome. Giving critical feedback or dealing with highly-emotional staff can be a challenge, so we designed this course to help you gain not only the skills, but the confidence to manage them appropriately. This highly valuable and engaging course empowers professionals to handle difficult conversations with ease to achieve professional success.

The PD Training Managing Difficult Conversations course is now available throughout New Zealand, including Auckland, Wellington, Christchurch and also via instructor-led online training.

MANAGING DIFFICULT CONVERSATIONS TRAINING COURSE OUTLINE

FOREWORD

Managing Difficult Conversations requires specialised knowledge and skill development because they can be challenging to handle without this support. During this training course, participants are taught how to develop an understanding of where, when, why and how to conduct difficult conversations.

The goal of this course is to empower professionals to be in control of a difficult conversation at all stages of it, so that they can achieve the desired outcome. It is a necessary skill in the management of human resources, handling of irate customers and team management.

OUTCOMES

After completing this course, participants will have learned to:

- Predict the results of a conversation
 - Establish the intent of a conversation
 - Identify the desired outcome
 - Manage their body language
