COURSE LENGTH: 0.5 DAYS

Managing a virtual team is different from managing a team that is physically present, and requires a different set of skills for success.

Virtual team management often requires you to deal with cultural differences, time differences, remoteness and technological barriers. This training includes setting up a virtual team, conducting meetings, overcoming special challenges, using appropriate communication tools and dealing with inefficiency. These skills help you to establish and manage a virtual team successfully.

The PD Training Virtual Team Management Training Course provides skills and understanding in handling effective meetings and group sessions, handle poor performing employees and how to use tools to build trust and confidence among employees.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These courses are facilitated in English, and are open to people from different industries across Australia, New Zealand, Singapore, Malaysia and Hong Kong - this is a short but powerful learning experience that

gives you global collaboration opportunities. Our trainers and processes have been refined to give you a personalised learning experience where it is specifically targeted to your needs.

****Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!**

This intensive, live online training course is now available in Australia, New Zealand, Singapore, Hong Kong and Malaysia.
