

MICROSOFT WORD 2016 INTERMEDIATE TRAINING

Generate a [group quote](#) today

COURSE LENGTH: 1.0 DAYS

This Microsoft Word training course is designed for those users who wish to improve their current knowledge of Word and take advantage of the more complex features. You will be able to divide a document into sections and columns, to format tables and populate them with data directly from Excel spreadsheets. You will also learn how to add recurrent data to documents in a series such as page numbers and headers.

This training course is designed for easy and effective learning by basic users to empower them to use Word 2016 effectively and efficiently.

This dynamic training course is now available throughout New Zealand, including Auckland, Wellington, Christchurch and also via instructor-led online training
