

## MICROSOFT OFFICE 365 POWERPOINT ESSENTIALS TRAINING

Generate a [group quote](#) today

**COURSE LENGTH: 1.0 DAYS**

In this Microsoft Office 365 PowerPoint Essentials training course, participants will learn the basics of this new presentation web application that provides all of the traditional PowerPoint presentation capabilities, in addition to the ability to share documents with ease. Collaboration becomes simple, as more than one user can edit a document at the same time.

Presentations can be accessed anywhere, eliminating the need to bring a copy on presentation day. One of PD Training's specialised trainers will teach you or your employees all of the basics of working with this new web-based interface, as well as get you up and running with basic skills like creating presentations, slides and notes. Exciting advanced features, such as broadcasting presentations via the web, will also be taught in this course.

This hands-on training workshop is available now throughout New Zealand, including Auckland, Wellington and Christchurch.

### FOREWORD

In this PowerPoint 365 Essentials course, participants will learn the basics of this new presentation web application that provides all of the traditional PowerPoint presentation capabilities, in addition to the ability to share documents with ease. Collaboration becomes simple, as more than one user can edit a document at the same time. Presentations can be accessed anywhere, eliminating the need to bring a copy on presentation day.

One of PD Training's specialised trainers will teach you or your employees all of the basics of working with this new web-based interface, as well as get you up and running with the standard basics of creating presentations, slides and notes. Exciting advanced features, such as broadcasting presentations via the web will also be taught.

With Office 365 PowerPoint, you (or any of your viewers) can access your presentations anywhere. You can even make a few basic changes right on the same website where your presentation is located.

---

### OUTCOMES

#### In this course, participants will:

- Learn the basics of sharing documents with collaborators
  - Understand how to proficiently use the interface of this new web application presentation software
  - Master workflow efficiency using Pop Out Windows, Outlines, and printing from the Reading View without opening the file
  - Understand the work modes offered, including editing in the browser and opening in PowerPoint
  - Discover advanced capabilities, such as broadcasting presentations via the web
  - Become proficient at managing slides, including hiding slides, organizing slides, and changing slide types
  - Improve the preparation process of their presentation with Notes
  - Learn all of the basics of the traditional out-of-the-box PowerPoint software, including formatting text, adding lists, revising alignment, and inserting images
-
