PERSONAL PRODUCTIVITY TRAINING COURSE OUTLINE

FOREWORD

Most people find that they wish they had more time in a day. This Personal Productivity workshop will teach participants how to better organise themselves and actually create more time in a day. Participants will learn how to establish routines, set manageable goals, create an efficient work environment and use time-honoured planning and organisational tools to maximise their personal productivity.

Becoming more efficient just requires some training and practise, and this personal development course covers a wide range of topics that will help you take control of your time and allow you to better manage how much you can accomplish in a day/week/month/year.
