COURSE LENGTH: 1.0 DAYS

Your level of personal productivity directs how and what you accomplish everyday. The PD Training Personal Productivity course will help you increase your levels of productivity by teaching you how to establish and follow routines or "rituals", how to set SMART goals, how to create an effective and practical working environment and much more.

The course also suggests a number of strategies to help you maximise your personal productivity via better management of time spent on email, the use of electronic devices and techniques for avoiding procrastination.

This practical and helpful training course is available now throughout New Zealand, including Auckland, Christchurch and Wellington.

PERSONAL PRODUCTIVITY TRAINING COURSE OUTLINE

FOREWORD

Most people find that they wish they had more time in a day, but what they really want is to simply get more done. This workshop teaches participants how to organise their work lives in such that they are more efficient with their time and hence more productive throughout the day.

Participants will learn how to establish and follow set routines, set measurable and attainable goals, create an efficient work space, and how to use time-honoured planning and organisational tools and tips to maximise their personal productivity on a daily basis.

OUTCOMES

- Set & evaluate SMART goals (specific, measurable, achievable, relevant & timed)
 - Learn to use routines to maximise productivity
 - Master numerous scheduling tools for efficient use of time
 - Learn to stay on top of a to-do list
 - Learn how to start new tasks & projects on the right foot
 - Master basic project management techniques
 - Organise physical & virtual workspaces for maximum efficiency
 - Take back time from e-mail & handheld devices
 - Learn to tackle procrastination
-
