RECRUITMENT AND SELECTION TRAINING - 3HOURS COURSE OUTLINE

FOREWORD

Your employees are a vital part of determining the success of your business. Finding the best employees for each position requires strong recruitment strategies. Top talent will not always find you. You must seek out people to fill the positions that you have open. Recruiting the most qualified candidates will ensure that your employees keep your company running smoothly.

Having a well designed recruitment process will streamline your recruiting efforts and keep you on track to find the best people for your organisation.
