COURSE LENGTH: 1.0 DAYS

If you're in a supervisory position, it's important that you are equipped with the skills required to ensure your team is productive and motivated to perform at their highest levels each and every day. Anyone who supervises others, especially those who are new to supervising/managing staff, will benefit from our 1-day course developed for managers and supervisors in New Zealand.

The PD Training Supervising Others training course provides participants with strong leadership skills, like delegating to others, decision making strategies, effective time management, analytical and problem-solving skills, effective communication skills, how to create an atmosphere which promotes internal motivation to work toward team goals, giving formal and informal feedback and much more.

Attend a supervisory training course now throughout New Zealand including Auckland, Christchurch or Wellington.

SUPERVISING OTHERS TRAINING COURSE OUTLINE

FOREWORD

This Supervision Training Program will help supervisors become more efficient and proficient at delegating, managing time, setting goals and expectations, providing feedback, resolving conflict and administering discipline when required.

All too often great team members are promoted to a supervisory role without consideration that supervising is a completely different skill set to that which made them stand out as part of the team, so by allowing new supervisors to attend this course they will learn some of the key skills required for them to be success.

Supervision Training Course helps people in supervisory roles to improve their skills, confidence and management capabilities. This training will benefit new supervisors and anyone who wants to improve their skills in supervising or managing others, ensuring high levels of productivity and team cohesion.

OUTCOMES

By the end of this course, participants will be able to:
