COURSE LENGTH: 1.0 DAYS

In today's fast-paced business environment in New Zealand, effective communication is the key to success. So, the telephone etiquette displayed by your organisational staff is indicative of their willingness and ability to assist customers professionally and efficiently.

The PD Training Professional Telephone Skills course teaches you fundamental communication skills like how to project professionalism over the phone, how to gain client confidence quickly, how to improve your "phone" voice, how to handle irate customers, tips for handling a busy reception line and much more.

This practical and engaging professional development training course is available now throughout New Zealand, including Auckland, Christchurch and Wellington.

Contact us today for a group quote or register now into the next public course date.

PROFESSIONAL TELEPHONE SKILLS TRAINING COURSE OUTLINE

FOREWORD

The Telephone Skills Training course in New Zealand will provide your staff with the awareness and skills they need to handle phone calls with a higher level of professionalism. This will ensure that a positive image of your organisation is reinforced and strengthened with every conversation.

The skills and the attitude projected by staff over the telephone form a lasting impression in the minds of any organisation's customers, making them a critical customer 'touch point'.

Today virtual teams are the norm rather than the exception, and one of their primary channels of communication is the telephone. Hence, it is imperative for virtual employees to also have a good understanding of business telephone etiquette in order to provide efficient information exchange.

This **Professional Telephone Skills Training Program** aims at helping employees create a lasting impression in their customers' minds and reflects the organisation in the best light possible. The course focuses on developing telephone etiquette and skills to deal with customers assertively, empathetically with a sense of care and positive attitude.
