COURSE LENGTH: 3.0 DAYS

In the PD Training Train the Trainer course you'll learn skills like how to create and teach from a session plan, how to create effective and engaging presentations, how to develop and administer assessment tools, understanding the various types of personality types and their learning styles and much more. Participants also have the opportunity to deliver a "live" training session and receive feedback from the group.

This highly effective Train the Trainer Course in Australia is designed for individuals who need to develop the training skills and confidence to teach adults in the workplace. This 3-Day, interactive training event is tailored to your specific requirements, which assures that the course can be directly applied to your workplace training requirements.

You will learn about your own personality type as well as other personality types and how to engage others in an entirely new way that provides a path to better communication and improved training skills.

PD Training can provide a complete professional development program for your organisation which includes personality profiling and automated training needs analysis, so contact us today to learn more!

These fun, high-energy training courses are delivered by experienced professionals throughout New Zealand, including Auckland, Christchurch and Wellington.

TRAIN THE TRAINER TRAINING COURSE OUTLINE

FOREWORD

This high impact, high intensity train-the-trainer course is designed for workplaces that need professional trainers who who can develop and deliver professional and engaging presentations as soon as possible.

This is not a box ticking exercise for passing assessments, this course is designed for people who want to deliver training and skills development to adults in today's professional workplaces.

This **Train the Trainer** Training Program is designed to benefit employees who are being asked to design and/or deliver training in the workplace. Participants learn about the learning needs of adults, planning and developing different types of training, delivering and assessing the success of the training and much more.

OUTCOMES

After completing the course participants will have learned to:

- Design a training course targeted for adult learners
- Plan the delivery of a course by ensuring that all the key elements of effective training are present
- Learn how to communicate one's message effectively
- Develop techniques to overcome barriers to learning
- Prepare and deliver a training session
- Learn to construct assessments to validate the learning
- Gain techniques for providing encouragement and coaching during the training process
- Create post-course evaluation forms
- Evaluate their peers and also receive feedback from them during class
- Be provided, upon request, a filmed DVD of each participants in-class presentation
