To be an effective mentee, whether it is formal or informal, requires the ability to identify an appropriate mentor while being open to criticism and implementing suggested changes as required.

The PD Training Making the Most of Being Mentored Training course was developed for mentees and ensures that any mentorship program is successful and rewarding by teaching the mentee how to find a mentor, how to build a strong relationship and put the mentor's knowledge to work in a meaningful way.

This dynamic training course is available now across New Zealand, including Auckland, Wellington and Christchurch.
